Triple award success for ADG member, CDS

The Association of Dental Groups (ADG) is delighted to announce that Community Dental Services (CDS), a social enterprise based in Bedfordshire and a member group of the ADG, has recently won a staggering three awards.

This remarkable feat caps off a good year for CDS, which is a community interest company, and is evidence of the amazing work that is going on behind the scenes in the ADG's member groups. The awards won by CDS include: the Health and Social Care Social Enterprise of the Year at the UK Social Enterprise Awards; the Employee Owned Business of The Year from the Employee Ownership Association; and Heart of the Community Award at the Bedfordshire Business Awards.

“At the ADG our goal is to help improve the delivery of patient care across a broad range of services, so we are very pleased that CDS is making a difference,” comments David Worskett, Chair of the ADG. “We congratulate them on their well-earned awards.”

The ADG works with a number of groups to ensure the delivery of consistent quality outcomes for patients. To find out more about the ADG or member groups go online today.
